

Dual Enrolled Student Guidance Spring 2016 AzMERIT Testing

CBT Testing - Both schools administering CBT tests*.

- Students can be moved between schools in TIDE during the CBT Test Window.
- Students must be enrolled in TIDE at the school that the CBT will be administered.
- Student reports will be returned to the school that completed the AzMERIT test.

Example:

- Student enrolled in TIDE at Middle School and completed Grades 3-8 tests. Student's score report will be returned to Middle School.
- Student enrolled in TIDE at High School for Algebra 1. Student's score report will be returned to High School.

CBT and PBT Testing – Schools are administering a different mode of testing*.

- PBT test must be completed by April 8.
 - PBT test results will be returned to the school where the student was enrolled in TIDE as of April 8.
- CBT test – Student must be enrolled in TIDE at the school that will be administering the CBT test.
 - Student reports will be returned to the school where the student completed the AzMERIT test.

Note: if student is enrolled in High School prior to April 8, the enrollment must be changed back to Middle School by April 8 for Middle School to receive the PBT test results. High School will still receive the CBT test results.

Example:

- Student tested PBT ELA at Middle School. Enrollment in TIDE on April 8 is Middle School. Score report will be returned to Middle School for ELA test.
- Student completed CBT Algebra 1 at High School. Student enrollment in TIDE in High School is anytime other than April 8. Score reports will be returned to High School for Algebra 1.

PBT Testing – Both schools administering PBT tests*.

- PBT tests must be completed by April 8 at both schools.
 - All PBT test results will be returned to the school where the student was enrolled in TIDE as of April 8.

Note: Schools will need to determine what school will receive the score reports back and verify that the correct enrollment is identified in TIDE by April 8.

Example:

- Student enrolled in TIDE in Middle School through April 4.
- Student tested PBT ELA at Middle School.
- Student enrolled in TIDE in High School on April 5.
- Student tested PBT Algebra 1 at High School.
- Score reports will be returned to High School for both ELA and Algebra 1.

*After moving a student from one school to another in TIDE, there may be a full day lag between TIDE and TDS. However, once the student has been moved in TIDE, the student can start testing even if the TDS is still showing the original school name.
